

ANTILLES, DESIGN: LUCA NICHETTO

Special items of furniture are in greater demand than ever. Life in the age of social distancing calls for more than just functional seating and reclining options. Living in these times is a tug of war between retreat and protection on the one hand, and the desire for company and spending time together on the other. With his carefully thought-through collection for Wittmann Möbel Werkstätten, Luca Nichetto has answered this brief with his characteristic exceptional eye for forms, lines, proportion and handcrafted details. The outcome is an eclectic collection of communicative pieces that can be arranged in a wide variety of constellations, and in response to a wide range of moods and requirements. Luca Nichetto deftly cites the opulence of classicism and the refined elegance of Viennese Modernism, maintaining the right balance between lightness and comfort. The peerless quality of the materials and the immense wealth of details in each of the elements tells an unmistakable tale of matchless handcraftsmanship influenced by Venice and Vienna.
