**WITTMANN****Jolly**

Wittmann has released a tasteful update of its Jolly chair, featuring harmonised proportions and flowing lines, as well as an integrated cushion seat with head and neck support. Designed by Jan Armgardt and available in four new colour combinations with matching metal frame finishes, this update marks the tenth anniversary of the most successful high backed chair in the Wittmann portfolio.

**SILENT GLISS****Snake Wave**

The innovative Snake Wave curtain track system by Silent Gliss moves silently and elegantly along precise curves for a graceful motion. Compatible with the hand-operated 1060 and 6465 Silent Gliss track systems, Snake Wave creates an atmosphere of exclusivity, style, and elegance when combined with premium fabrics and curtain materials.

**KVADRAT****Ready Made Curtain**

Ready Made Curtain, an adjustable kit designed by Ronan & Erwan Bouroullec, has been expanded to include selected colours of two washable curtains, Haze and Ace from the Kvadrat range. Along with pegs and hanging mechanism now available in a soft grey tone, the new additions offer the possibility to select all elements separately, creating 286 colour and material combinations.
